

Get your creative juices flowing and come to camp for a weekend of fun, fellowship and accomplishment!

It may be cold outside, but it will be warm and cozy by the fireplace enjoying some time away from everyday life. There will be plenty of space for you to spread your project out and let your ideas and talents take over.

Remember to bring all the tools and materials you think you might need. An inspiration may come to you and you need to be prepared to go with the flow. Maybe your idea bottle is empty these days and you need some stimulation to fill it back up. Being with other creative people you will find lots of examples to inspire you once again.

Of course don't forget about devotion time that will fill you up spiritually. Then a massage just might relax you enough to bring out a hidden idea that will complete your project.
